

Applicants have submitted a Sequence Listing in both paper and computer readable form as required by 37 C.F.R. 1.821(c) and (e). Amendments directing its entry into the specification have also been incorporated herein. The content of the paper and computer readable copies are the same and no new matter has been added.

In view of the foregoing, it is believed that each requirement set forth in the Notice has been satisfied, and that the application is now in compliance with the sequence rules under 37 C.F.R. 1.821-1.825. Accordingly, favorable examination on the merits is respectfully requested.

Respectfully submitted,

Susan A. GREENFIELD et al.
